

Rank Weston

Rank Weston is our Junior boarding house, housing all Junior pupils from Year 3 to 6. It is where our Juniors boarders can be found outside of school time and where flexi-boarders can be from 7:40am till 7pm. Our young Rank-Weston boarders and flexi boarders respect and support each other; have fun; make mistakes - learn from them; combine success with modesty; and make friends they will have for life.

Children can succeed here in many dimensions – work, sport, music, art, drama, social and spiritual.

Some pupils are very far from home. Rank-Weston is diverse: this year there are expatriate and international students from Spain, France, Nepal, Nigeria and Hong Kong! The magic triangle of pupil, family and house team provides structured support to bring out the best that each child can achieve.

Meet the team

Mr Stafford has been Head of Rank Weston since 2012 having seen his two sons complete their schooling at RAAS. He is supported by two Deputies: Mrs Mac, who has been at RAAS for nearly 20 years and has a unique wealth of knowledge in supporting young boarders, and Miss Hodge who joined the RW Team in 2015. We have a high staff to student ratio. There are normally five members of staff on duty in the evenings. In total ten members of staff are resident in the boarding house. There are always two members of staff on “Night Call” to deal with any emergencies that may arise.

Simply put, our house is Safe, Busy, Friendly, Homely, caring and vibrant and we are incredibly proud of that.

**Safe - Busy - Friendly -
Homely - Caring -Vibrant**

House Twitter: <https://twitter.com/rankwestonhouse>

‘When I started in Rank Weston my main language was German, now I am fluent in English because they helped me. I like RW because there is a lot of happiness in the house and the staff encourage you to do better and not just give up.’

Hayley Marquis, House Captain
2018-19
