

RAAS Learning Journey – KS2 Science

Following White Rose Science. Carry out end of block assessment at the end of each block.

UKS2 working scientifically NC aims covered and assessed across the blocks in Year 5 and Year 6. Year 6 should display independence in these skills to meet expectations, whilst Year 3 can be supported.

Following White Rose Science. Carry out end of block assessment at the end of each block.

LKS2 working scientifically NC aims covered and assessed across the blocks in Year 3 and Year 4. Year 4 should display independence in these skills to meet expectations, whilst Year 3 can be supported.
